

# The Konevets Quartet Коневец-Квартет

**A Concert of Russian Sacred and Secular Music**  
from the XVIII to XX Centuries  
by the renowned male *a cappella* ensemble  
of St. Petersburg, Russia

**Sunday, November 27, 2005 at 2:30 pm**

**Eglinton St. George's United Church**  
**35 Lytton Boulevard, Toronto, Ontario**  
*at Lytton and Duplex Avenue in North Toronto*  
*street and municipal parking available*

*At first, silence – pure silence – and we wait. Miracle: sound of equal purity. Four disembodied voices creating notes that seem to emanate from elsewhere. The small group of singers from St. Petersburg leads us into a space where sound and silence unite. - Peter Brook, UK*
